About Us

Arabian Trade Link is a trusted supplier of construction and industrial materials, based in United Arab Emirates. We provide a broad range of high-quality products to meet the evolving needs of the industry. With a strong commitment to quality, reliability, and customer satisfaction, we support projects of all sizes by delivering timely, efficient, and cost-effective solutions tailored to our clients' requirements.

Mission

To provide reliable, high-quality construction and industrial materials that meet the evolving needs of our clients, ensuring timely delivery, competitive pricing, and exceptional service.

Vision

To be a leading and trusted partner in the construction supply industry, known for our commitment to quality, integrity, and customer satisfaction across the region.

Our **Products**

At Arabian Trade Link, we provide a comprehensive range of construction and industrial supplies to meet diverse project needs:

Hardware

Power Tools

Fire Fighting Accessories

Safety Gears (PPE)

Electrical & Lightings

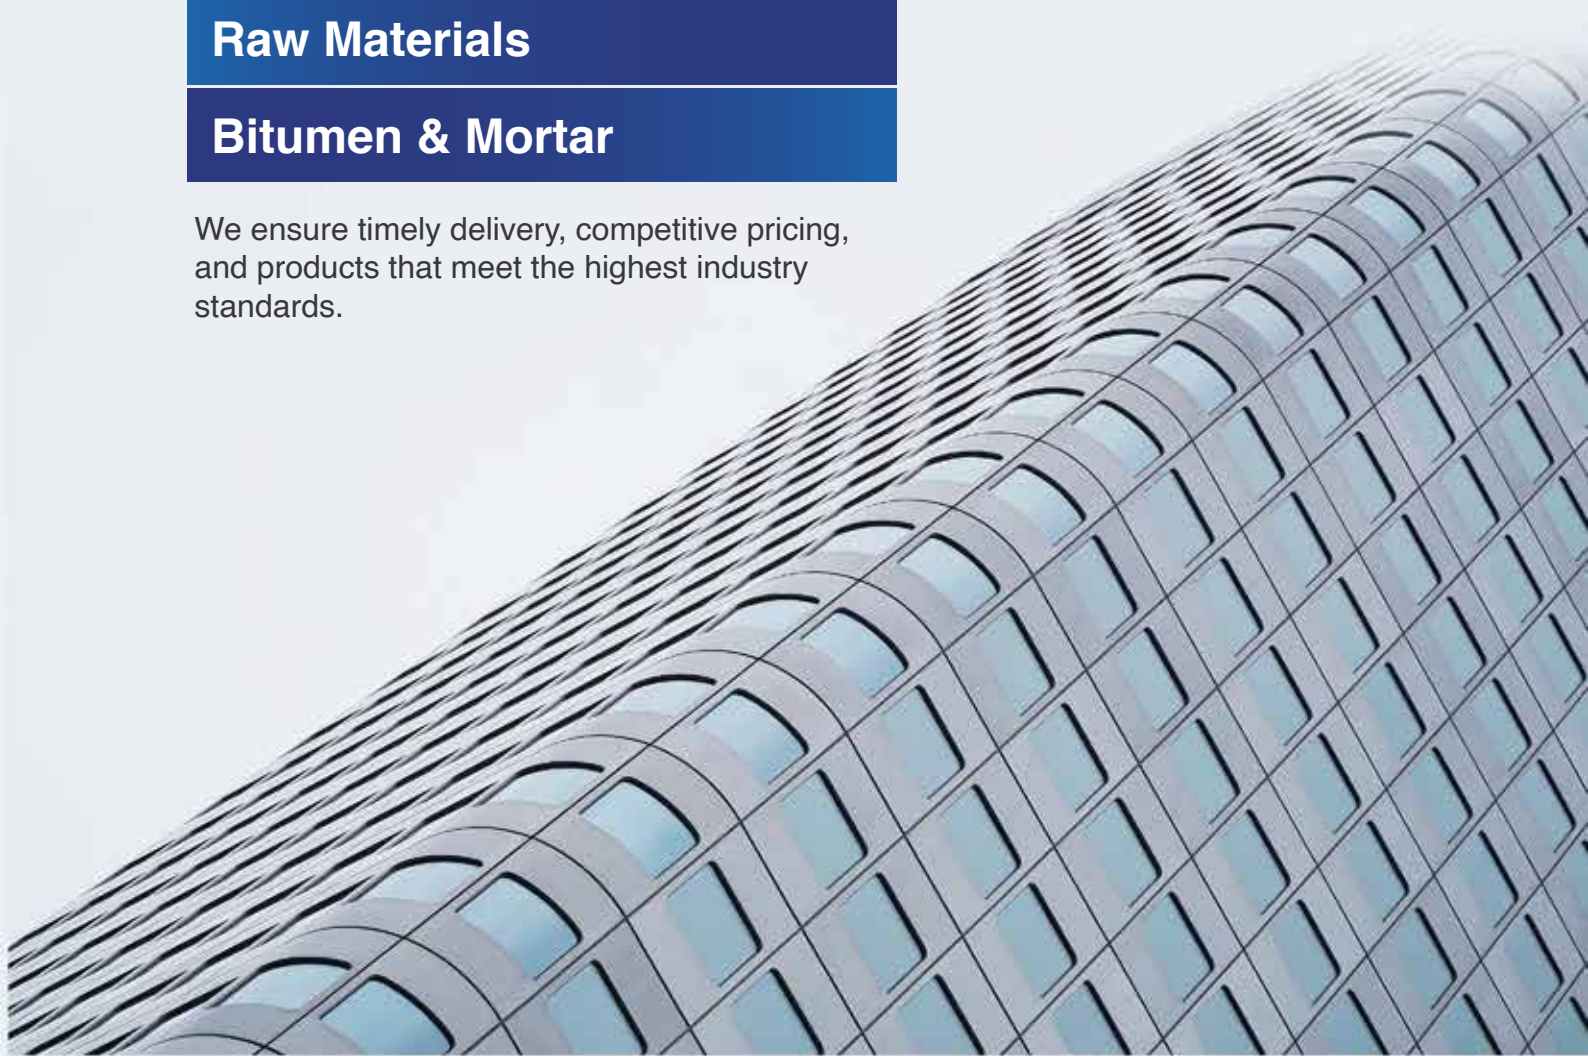

Plumbing & Drainage

HVAC Solutions

Raw Materials

Bitumen & Mortar

We ensure timely delivery, competitive pricing, and products that meet the highest industry standards.

Hardware

A wide selection of essential hardware products like fasteners, locks, hinges, tools, and building materials for all types of construction needs.

Power Tools

High-performance power tools including drills, grinders, cutters, and saws—sourced from reliable brands for efficiency and durability.

Fire Fighting Accessories

We supply a range of certified fire safety products including extinguishers, hose reels, fire blankets, and more—ensuring compliance and protection on every job site.

Safety Gears (PPE)

Personal Protective Equipment (PPE) such as helmets, gloves, safety vests, goggles, and boots to safeguard workers in all environments.

tribution
or
ntial,
se.

A collection of various electrical components including light bulbs, switches, outlets, plugs, cables, and wire terminals. The items are arranged on a light blue background. The components include two incandescent light bulbs, a compact fluorescent bulb (CFL), a standard light switch, a double outlet, a single outlet, a two-prong plug, a three-prong plug, a power strip, a bundle of multi-colored wires, a bundle of black and white cables, and several wire terminals.[illegible]

HVAC

Heating, ventilation, and air conditioning systems, including ducts, fittings, and units—suitable for all scales of residential and commercial projects.

Raw Materials

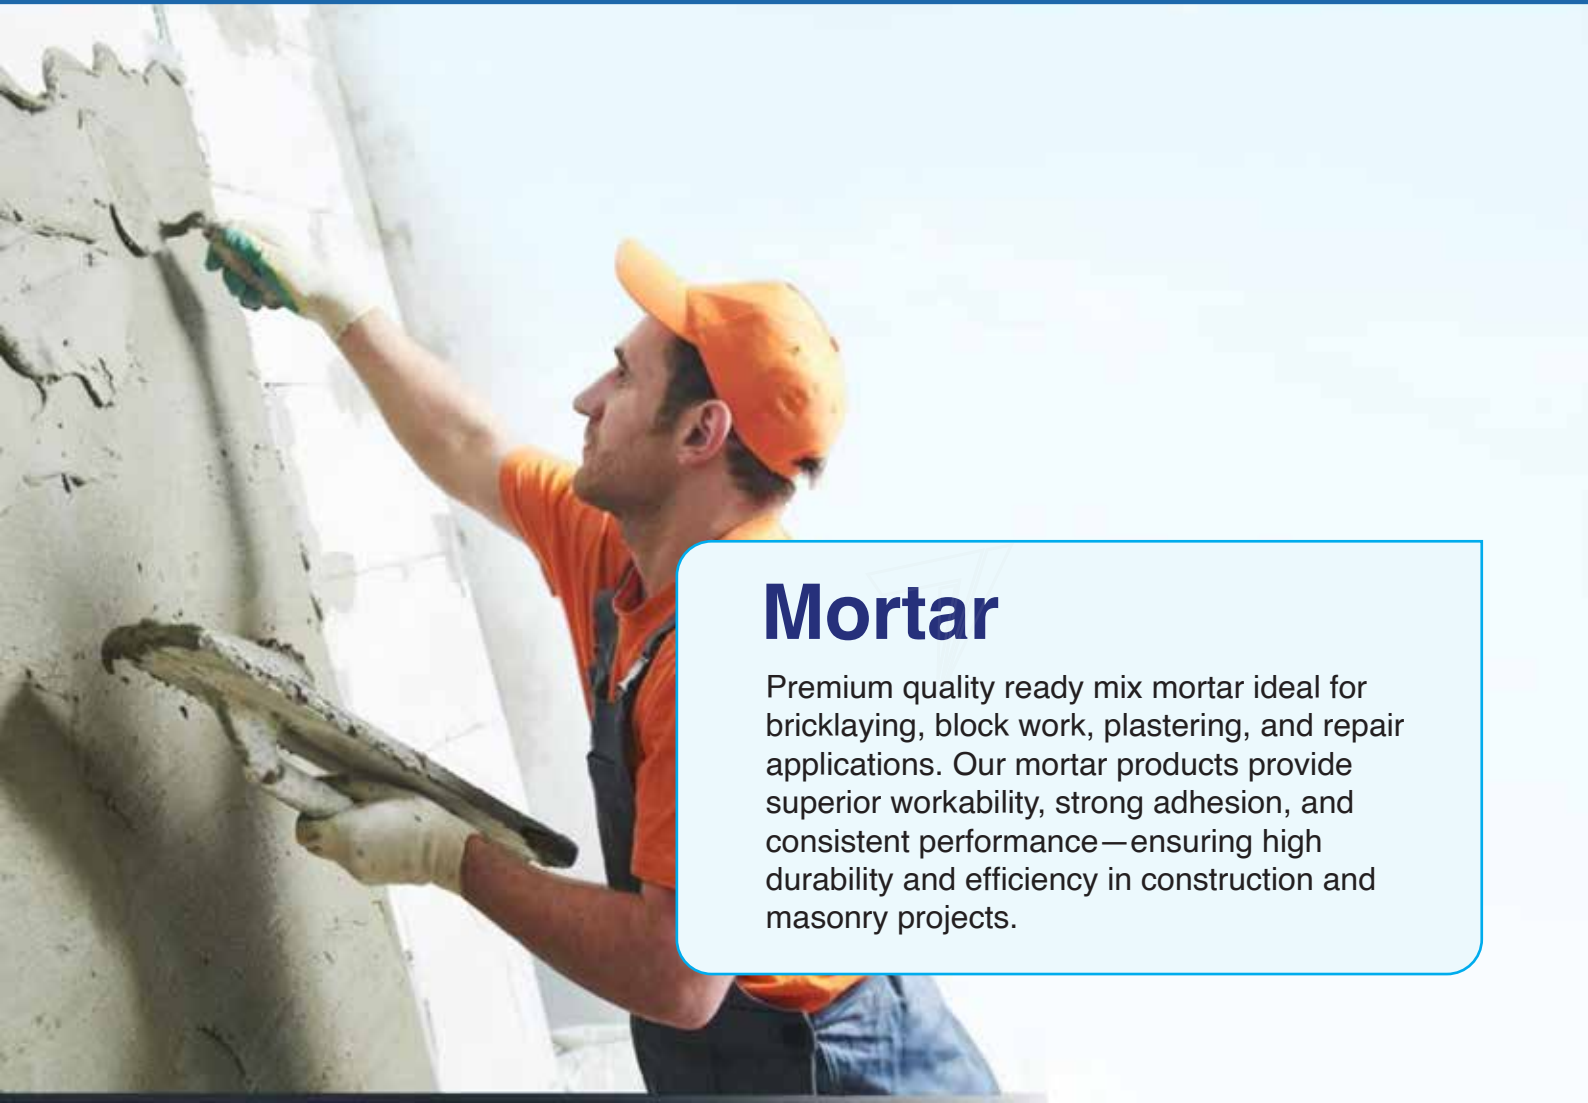

Essential raw materials including bricks, cement, steel, sand, and plywood to support foundational and structural construction work.

Bitumen

High-grade bitumen ideal for waterproofing applications, and insulation purposes. Our bitumen products offer excellent adhesion, weather resistance, and durability for long-lasting performance in infrastructure projects.

Mortar

Premium quality ready mix mortar ideal for bricklaying, block work, plastering, and repair applications. Our mortar products provide superior workability, strong adhesion, and consistent performance—ensuring high durability and efficiency in construction and masonry projects.

A low-angle, upward-looking photograph of several modern skyscrapers against a clear blue sky with light clouds. The buildings are made of glass and steel, with many windows visible. The perspective makes the buildings appear to converge towards the top of the frame.

Why Choose Us ?

Wide Range – From PPE and fire safety to electrical, plumbing, HVAC, raw materials, and tools – we're your all-in-one source for construction and industrial supplies.

Trusted Quality – Sourced from reliable manufacturers, our products meet global standards for safety and durability.

Competitive Prices – Great value for bulk and small orders without compromising on quality.

Fast Delivery – Efficient logistics ensure timely delivery to keep your projects on track.

Customer First – Expert support from selection to after-sales—your satisfaction is our priority.

From Tools to Raw Materials, We've Got You Covered.
